

## **PERSONAL SAFETY TIPS**

The Wyckoff Police Department has provided the list of suggestions below for personal safety. In many cases people become victims of crime because they inadvertently put themselves in danger. These suggestions may help deter crime:

- Keep car doors locked when you are travelling in it.
- Lock your car when you leave.
- Park and walk in well-lit areas.
- Check car before getting in.
- If you think you are being followed, try to get back in to a store or other well-lit public area.
