**SECTION 9.** The full faith and credit of the Township is hereby pledged for the payment of the principal of and interest on all bonds and notes issued pursuant to this ordinance, and as long as such bonds or notes are outstanding there shall be levied in each year ad valorem taxes on all taxable property within said Township without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds and notes maturing in said year.

**SECTION 10.** (a) The Township shall comply with all provisions of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder or applicable thereto (the "Code") applicable to the bonds or notes issued pursuant to this bond ordinance and shall not take any action, or fail to take any action, if any such action or failure to take action would cause interest on the bonds or notes issued pursuant to this bond ordinance to be or become includable in gross income under Section 103 of the Code or cause interest on the bonds or notes issued pursuant to this bond ordinance to be treated as an item of tax preference under Section 57 of the Code. The Township shall not directly or indirectly use or permit the use of any proceeds of such obligations or any other funds of the Township, or take or omit to take any action, that would cause such obligations to be "arbitrage bonds" within the meaning of Section 148(a) of the Code, and will comply with all requirements of Section 148 of the Code to the extent applicable to the bonds and notes authorized hereby and all proceeds thereof, including without limitation, monitoring compliance with Section 148 of the Code as it applies to the bonds and notes authorized hereby, restricting the yield on the investment of any proceeds or gross proceeds of the bonds or notes to the extent required to comply with Section 148 of the Code, and making payments of the rebate amount, if any, to the United States in the manner and to the extent necessary to comply with Section 148 of the Code.

(b) The Township reasonably expects to reimburse the Township's expenditure of certain costs of the Authorized Projects described in Section 1 of this bond ordinance ("Project Costs") incurred and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This

Section is intended to be and hereby is a declaration of the Township's official intent to reimburse any expenditure of Project Costs incurred and paid prior to the issuance of bonds or notes authorized herein with the proceeds of such bonds or notes in accordance with Treasury Regulations Section 1.150-2(e), and no reimbursement allocation will employ an abusive arbitrage device under Treasury Regulations Section 1.148-10 to avoid the arbitrage restrictions. The maximum principal amount of obligations expected to be issued pursuant to this bond ordinance to pay Project Costs does not exceed \$1,413,000. The Project Costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be "capital expenditures" as defined in Treasury Regulations Section 1.150-1(b), a cost of issuance for the bonds or notes herein authorized or an expenditure described in Treasury Regulations Section 1.148-6(d)(3)(ii)(B). The allocation of proceeds of the bonds or notes issued pursuant to this bond ordinance to reimburse Project Costs incurred prior to the issuance of such bonds or notes shall be effected no later than 18 months after the later of the date the Project Costs are paid or the date the Authorized Projects are placed in service or abandoned, but in no event more than 3 years after the original Project Costs to be reimbursed are paid.

**SECTION 11.** This ordinance shall take effect twenty days after the first publication hereof after final adoption, in the manner provided by law.
