The Municipality hereby determines, in accordance with the Lead Service Line Replacement Law, that the cost of the Project allocable to each Benefited Property is equal to the peculiar benefit, advantage or increase in value that the respective Benefited Property shall be deemed to receive by reason of the Project, such that the total amount of the special assessment shall equal the Municipality's cost of the Project, inclusive of debt service on the Bonds.

**Section 3.** Notice is hereby given to the owners of each of the parcels identified in **Exhibit A** attached hereto that, at the time the Project has been completed, the Municipality intends to make and levy a special assessment, in the amount set forth in Section 2 hereof, against the Benefited Properties.

All notes issued hereunder may be renewed from time to time subject to the provisions of N.J.S.A. 40A:2-8.1. The Chief Financial Officer is hereby authorized to sell part or all of the notes from time to time at public or private sale and to deliver such notes to the purchasers thereof upon receipt of payment of the purchase price plus accrued interest, if any, from their dates to the date of delivery thereof. Such report must include the amount, the description, the interest rate and the maturity schedule of the notes sold, the price obtained and the name of the purchaser or purchasers thereof.

**SECTION 6.** It is hereby further determined and declared by this Township Committee as follows:

E. The aggregate amount of the proceeds of the obligations authorized by this ordinance to be expended for interest on the obligations authorized herein, engineering and inspection costs, legal expenses, and the costs of issuance of the obligations authorized by this ordinance, including printing, advertisement of ordinances and notices of sale and legal expenses, and other expenses as provided in N.J.S.A. 40A:2-20 does not exceed \$0.

**SECTION 7.** The capital budget of the Township is hereby amended to conform with the provisions of this ordinance to the extent of any inconsistency herewith, and the resolutions promulgated by the Local Finance Board showing full detail of the amended capital budget and capital program as approved by the Director of the Division of Local

Government Services are on file with the Township Clerk and are available for public inspection.

**SECTION 8.** In the event that any other moneys are lawfully received from any source for the purposes provided in this ordinance, such moneys shall be used for the purposes authorized herein and to reduce the amount of bonds or notes authorized to be issued by this ordinance by the amount so received, or if such other moneys are received after the issuance of the bonds or notes authorized by this ordinance, such moneys shall be used solely for the payment of the debt service on said bonds or notes as the same become due and payable.

**SECTION 9.** The full faith and credit of the Township is hereby pledged for the payment of the principal of and interest on all bonds and notes issued pursuant to this ordinance, and as long as such bonds or notes are outstanding there shall be levied in each year ad valorem taxes on all taxable property within said Township without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds and notes maturing in said year.

**SECTION 10.** (a) The Township shall comply with all provisions of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder or applicable thereto (the "Code") applicable to the bonds or notes issued pursuant to this bond ordinance and shall not take any action, or fail to take any action, if any such action or failure to take action would cause interest on the bonds or notes issued pursuant to this bond ordinance to be or become includable in gross income under Section 103 of the Code or cause interest on the bonds or notes issued pursuant to this bond ordinance to be treated as an item of tax preference under Section 57 of the Code. The Township

shall not directly or indirectly use or permit the use of any proceeds of such obligations or any other funds of the Township, or take or omit to take any action, that would cause such obligations to be “arbitrage bonds” within the meaning of Section 148(a) of the Code, and will comply with all requirements of Section 148 of the Code to the extent applicable to the bonds and notes authorized hereby and all proceeds thereof, including without limitation, monitoring compliance with Section 148 of the Code as it applies to the bonds and notes authorized hereby, restricting the yield on the investment of any proceeds or gross proceeds of the bonds or notes to the extent required to comply with Section 148 of the Code, and making payments of the rebate amount, if any, to the United States in the manner and to the extent necessary to comply with Section 148 of the Code.

(b) The Township reasonably expects to reimburse the Township’s expenditure of certain costs of the Authorized Projects described in Section 1 of this bond ordinance (“Project Costs”) incurred and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This Section is intended to be and hereby is a declaration of the Township’s official intent to reimburse any expenditure of Project Costs incurred and paid prior to the issuance of bonds or notes authorized herein with the proceeds of such bonds or notes in accordance with Treasury Regulations Section 1.150-2(e), and no reimbursement allocation will employ an abusive arbitrage device under Treasury Regulations Section 1.148-10 to avoid the arbitrage restrictions. The maximum principal amount of obligations expected to be issued pursuant to this bond ordinance to pay Project Costs does not exceed \$2,452,776. The Project Costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be “capital expenditures” as defined in Treasury Regulations Section 1.150-1(b), a cost of

issuance for the bonds or notes herein authorized or an expenditure described in Treasury Regulations Section 1.148-6(d)(3)(ii)(B). The allocation of proceeds of the bonds or notes issued pursuant to this bond ordinance to reimburse Project Costs incurred prior to the issuance of such bonds or notes shall be effected no later than 18 months after the later of the date the Project Costs are paid or the date the Authorized Projects are placed in service or abandoned, but in no event more than 3 years after the original Project Costs to be reimbursed are paid.

**SECTION 11.** This ordinance shall take effect twenty days after the first publication hereof after final adoption, in the manner provided by law.
