SECTION 8. In the event that any other moneys are lawfully received from any source for the purposes provided in this ordinance, such moneys shall be used for the purposes authorized herein and to reduce the amount of bonds or notes authorized to be issued by this ordinance by the amount so received, or if such other moneys are received after the issuance of the bonds or notes authorized by this ordinance, such moneys shall be used solely for the payment of the debt service on said bonds or notes as the same become due and payable.

SECTION 9. The full faith and credit of the Township is hereby pledged for the payment of the principal of and interest on all bonds and notes issued pursuant to this ordinance, and as long as such bonds or notes are outstanding there shall be levied in each year ad valorem taxes on all taxable property within said Township without limitation as to rate or amount sufficient to pay the principal of and interest on such bonds and notes maturing in said year.

SECTION 10. (a) The Township shall comply with all provisions of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder or applicable thereto (the "Code") applicable to the bonds or notes issued pursuant to this bond ordinance and shall not take any action, or fail to take any action, if any such action or failure to take action would cause interest on the bonds or notes issued pursuant to this bond ordinance to be or become includable in gross income under Section 103 of the Code or cause interest on the bonds or notes issued pursuant to this bond ordinance to be treated as an item of tax preference under Section 57 of the Code. The Township shall not directly

or indirectly use or permit the use of any proceeds of such obligations or any other funds of the Township, or take or omit to take any action, that would cause such obligations to be “arbitrage bonds” within the meaning of Section 148(a) of the Code, and will comply with all requirements of Section 148 of the Code to the extent applicable to the bonds and notes authorized hereby and all proceeds thereof, including without limitation, monitoring compliance with Section 148 of the Code as it applies to the bonds and notes authorized hereby, restricting the yield on the investment of any proceeds or gross proceeds of the bonds or notes to the extent required to comply with Section 148 of the Code, and making payments of the rebate amount, if any, to the United States in the manner and to the extent necessary to comply with Section 148 of the Code.

(b) The Township reasonably expects to reimburse the Township’s expenditure of certain costs of the Authorized Projects described in Section 1 of this bond ordinance (“Project Costs”) incurred and paid prior to the issuance of any bonds or notes authorized by this bond ordinance with the proceeds of such bonds or notes. This Section is intended to be and hereby is a declaration of the Township’s official intent to reimburse any expenditure of Project Costs incurred and paid prior to the issuance of bonds or notes authorized herein with the proceeds of such bonds or notes in accordance with Treasury Regulations Section 1.150-2(e), and no reimbursement allocation will employ an abusive arbitrage device under Treasury Regulations Section 1.148-10 to avoid the arbitrage restrictions. The maximum principal amount of obligations expected to be issued pursuant to this bond ordinance to pay Project Costs does not exceed \$1,265,000. The Project Costs to be reimbursed with the proceeds of the bonds or notes authorized herein will be “capital expenditures” as defined in Treasury Regulations Section 1.150-1(b), a cost of issuance for the bonds or notes herein authorized or an expenditure described in Treasury Regulations Section 1.148-6(d)(3)(ii)(B). The allocation of proceeds of the bonds or notes issued pursuant to this bond ordinance to reimburse Project Costs incurred prior to the issuance of

such bonds or notes shall be effected no later than 18 months after the later of the date the Project Costs are paid or the date the Authorized Projects are placed in service or abandoned, but in no event more than 3 years after the original Project Costs to be reimbursed are paid.

SECTION 11. This ordinance shall take effect twenty days after the first publication hereof after final adoption, in the manner provided by law.

Interpretive Statement:

This binding referendum will authorize the maintaining and continuing of the existing Municipal Open Space Trust Fund. The Municipal Open Space Trust Fund was previously approved by the voters of the Township of Wyckoff on November 7, 2006, and extended on November 8, 2011, and November 8, 2016, and therefore the approval of this referendum would not create a new tax burden on the residents of Wyckoff, but simply continue and extend the previously approved Municipal Open Space Tax. The trust fund would continue to be funded by the existing local property tax in the amount of .005 (1/2 cent) per one hundred (\$100.00) dollars of assessed value. This existing tax would be collected for five (5) years and then expire, unless extended by a public vote of the voters of the Township of Wyckoff. The owner of a home assessed at \$778,100.00 (the average assessed value in Wyckoff) would pay \$38.91 per year, for a period of five (5) years. The total amount the tax would yield each year depending on the total valuation of real property in Wyckoff, would be approximately \$231,045.00 each year. The proceeds of the fund could be used for the acquisition, development, maintenance, or preservation of lands for recreation or conservation purposes, as well as acquisition of farmland for farmland purposes and the preservation or acquisition of historic property or the payment of debt service incurred for any of the above purposes. The proceeds of the fund could also be returned to the taxpayers of the Township of Wyckoff as tax relief.
