Amendment to Planning Board Package

January 27, 2023

Dear Ms. Mitchell:

On November 8, 2022, an application for the subject property was submitted to the Planning Board under a cover letter from Bruce E. Whitaker, Esq. of McDonnell & Whitaker, LLC, with select amended plans sent to the Township of Wyckoff by Mott MacDonald on January 5, 2023. Mott MacDonald would like to amend the package as follows:

- The previously submitted Landscape Plan (Drawing LP101) has been updated to show additional proposed plantings to improve screening.
- The previously submitted Site Plan (Drawing C102) has been updated to include a gate on the North end of the site, to allow for access to the existing well house.
- The previously submitted Architectural Rendering (Drawing AR001) has been revised to include a view of the rear of the facility.
- A new elevation drawing (Drawing AR002) has been added to the drawing set.

(15) copies of the drawings listed above, signed and sealed, are submitted herein, and we request that they be included in the current application package. Should you have any questions or require additional information, please do not hesitate to contact me.

Very truly yours,
