

WYCKOFF'S SPRING SHRED FEST

FREE SHREDDING OF PERSONAL CONFIDENTIAL DOCUMENTS FOR WYCKOFF RESIDENTS

SATURDAY, APRIL 28, 2018 (Rain or Shine)

**8:30 AM TO 11:00 AM AT THE
DPW Yard, 475 WEST MAIN STREET**

The Township of Wyckoff has scheduled a mobile paper shredding vehicle available on Saturday, April 28, 2018 at the DPW Yard, 475 W. Main Street, from 8:30 am to 11:00 am (rain or shine) or when the truck has reached its capacity, for residents who wish to bring their confidential personal paper documents and paper correspondence for shredding at no charge. *Confidential personal paper documents without metal tabs are accepted; no plastic bags and no x-rays can be shredded.*

Residents will be limited to four (4) bags or boxes weighing no more than 10 lbs. each on a first come, first serve basis. Residents should bring their confidential paper documents and correspondence in their own containers that residents can take home and re-use for the next shredding event. Recyclable paper that is not personal papers such as magazines, travel guides and junk mail, etc. will not be accepted for shredding. The vehicle will transport the shredded paper to the recycling market where it will enter the recycling stream. A video display allows residents to witness the shredding of their personal documents.

Visit the Recycling Center at 476 West Main Street on April 28, 2018 from 8:30 am to 11:00 am for one-stop recycling of your personal paper documents AND household recyclables!

All other recyclables from single layer cardboard to double layer cardboard, glass, plastics #1-#7, and tin cans can be deposited at the Recycling Center in their appropriate containers while you are at the Recycling Center.

According to the United States Environmental Protection Agency, for every ton of paper that is recycled and re-directed into post consumer production, 17 trees are allowed to grow and are not required as raw material for the production of paper.

It is requested that residents register their email address at "Sign-Up for E-News" link on the home page of wyckoff-nj.com to receive notices of recycling events. Any questions, call Maryellen at 201-891-7000, ext 101.
