Subject: JIF Elected Official training

Good morning, at last night's meeting Dave Grubb reported that he is available to visit Town Halls and conduct the annual JIF Elected officials training which when completed will result in a \$250. credit per elected official and Administrator for the current year's insurance assessment.

Please consider a date that may be convenient for all, and Nancy Brown can schedule the date with Nancy Ghani, (the Bergen JIF fund Account Manager).

Mr. Grubb also reported and he has graciously made himself available to visit a governing body and teach a short course titled, " Risk Management for new and existing Elected Officials" This would be an appropriate course to schedule through the NWB Mayors Association and allow elected officials of all 13 towns to attend. Please consider this educational opportunity.

Remember, working together as a high performing team, we have demonstrated over the years that safety is a positive fiscal indicator and a leadership issue, that starts at the top!

Thank you, Bob

Robert J. Shannon
