Subject: FW: Water smells like chlorine

Hi Cindy,

Can you please forward this complaint to our BOH Environmental Health Technician for further review. Please also contact the resident and remind them that we receive our water from Ridgewood Water and that they may contact them as well if they have to yet done so.

Thank you,
Christine

Subject: Water smells like chlorine

Message: Hello- my water smells like chlorine. What is currently Wyckoff township doing to improve quality of water? I have a small child. I am now required to buy my own water so I can drink it. What are my taxes going into them aside from school, public safety etc? Why my water smells like chlorine?
