Wyckoff Township Services 2025 Municipal Calendar Township Committee Message

A Message from the Township Committee

It is with great pride that we present you with the 2025 edition of the Wyckoff Township Municipal Calendar - ***Celebrating Our Services.***

This year, we would like to give you a preview of what we do at Town Hall. At its core, local government is responsible for the public administration of our town. The Township form of government, the oldest form of municipal government in New Jersey, grants legislative powers to the Township Committee which in Wyckoff, consists of five elected officials who annually select a Mayor from amongst themselves. Although the Township Committee is the backbone of our local government, many of the executive responsibilities are carried out by the various municipal departments whose employees are responsible for providing a wide range of vital services to the people and businesses in our community.

Some of the services that the Township provides includes running the police department and maintaining public safety, trash and recycling collection, managing the fire department, collecting property taxes, providing animal control, passing ordinances (local laws), maintaining local roads and snow plowing, zoning of properties, issuing pet licenses, issuing marriage licenses, maintaining parks and other public spaces, organizing sports and recreation and overseeing the proper maintenance of municipal utilities, to name a few.

Additionally, the Municipal Court, the judicial arm of our local government, is responsible for overseeing motor vehicle/traffic violations, disorderly and petty disorderly persons offenses, violations of municipal ordinances weights and measures, park regulations, animal cruelty laws, and fish and game regulations. Our local library

provides a wealth of services, including books, movies and television show loans, technology and research tools, adult and children's programs, story time for kids, and much more. Our Emergency Management Services (EMS) provide 24 hr. care in the event of an emergency. They also offer free CPR training to the public.

The 2025 calendar will highlight, month by month, the many services we provide through Town Hall and serve as a guide to direct you to the appropriate office for assistance. We would like to extend our sincere gratitude to all our employees for their unwavering commitment to the public and their hard work to keep the Township running seamlessly. We would also like to thank the many businesses whose advertising support makes this calendar possible. Please show your appreciation by patronizing these businesses.

Building/Engineering:

Form F100 is required for all permits as well as any necessary sub code forms. The forms can be downloaded on the DCA link at www.wyckoffnj.gov. You must obtain a building permit from the Building Department. The Building Department has 20 working days to review your permit. If it is not released in 20 working days, the application is considered denied. Obtain a building permit before making any changes to your house. Please see our website for specific requirements.

Public Works:

Christmas Tree collection for the month of January. Wyckoff residents can place their Christmas trees at the curb for collection by the Department of Public Works. Public Works offers two rounds of curbside collection of Christmas trees for the convenience of our residents. They can also be brought to the recycling center. Christmas trees for collection:

- ✓ Must be free of ornaments, tinsel, and other decorations
- ✓ SHOULD NOT be wrapped in plastic nor placed in plastic bags
- ✓ Must not include tree stands or strings of lights

White goods collections resume again in January.

February Happenings

Clerk:

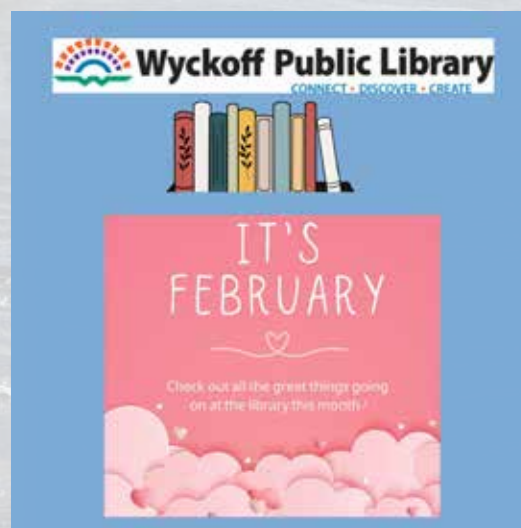

License your pet - the March 28th deadline is approaching.

Pet licensing is part of our municipal rabies control program. Pet licensing ensures that pets have up to date rabies immunizations, which protects your family and pets against rabies. Licensing also has the added benefit of providing an easy way of identifying lost pets so they can be quickly returned to their proper owners.

Library:

The Wyckoff Library offers many children's, teens and adult programs. Perhaps you would like to take a tech class or learn how to design floral arrangements. There are great summer reading programs for students of all ages. You can drop in for Storytime with your little learners. You can visit their website at events for information on monthly programs and events.

Public Works:

Adopt a hydrant: Snow must be cleared from your homes adjoining sidewalk within 12 hours after a storm. Place all trash/recycling cans to the end of your driveway or curbside for collection. Town ordinance prohibits snow in the road.

Fire Department:

The Wyckoff Volunteer Fire Department requests residents living near a fire hydrant to "Adopt a Hydrant" and remove snow and ice around it during the winter months. Approximately 600 fire hydrants exist in Wyckoff. Fire Hydrants are located every 600 ft. on most township roads.

MEALS ON WHEELS: A MISSION OF CARING

Meals on Wheels of Wyckoff (MOW) is a private organization of volunteers. They have been providing for the needs of housebound and recovering residents of Wyckoff since 1983. Residents who are unable to shop or cook for themselves because of age or illness, live alone, homebound and have a home health aide no more than 4 hours a day may request this service. Meals are prepared through the generosity of Christian Health and delivered mid-day, Monday to Friday, including holidays. Special dietary needs are also addressed.

Fees for meals are billed monthly. MOW is intended to be a temporary service to assist families during a difficult period until permanent arrangements can be made.

If you are a Wyckoff resident or know of a resident who needs this service, call Gail Boylan at 551-206-4746.

Finance:

Property Tax Appeal filing deadline April 1.

Public Works:

Spring Leaf collection begins. Public Works will complete two rounds of leaf collections. Place your leaves at the curb. See website for dates.

Grass - Cut It and Leave

It! - The Environmental Way to Sustainable Lawn Care. During the summer grass clippings can account for almost 1/3 of residential solid waste. By just leaving your grass on the lawn when you mow, you're letting nature do the recycling for you. Grass clippings provide nutrients like nitrogen and potassium for your lawn. This can mean less chemicals like fertilizers and herbicides which can have other negative effects such as run off which pollute our water streams.

Simple Tips

- Try purchasing a mulching lawn mower or adding a mulching attachment to your current mower.
- Avoid mowing more than the top third of the growing grass.

- Use the right amount of water
- Compost and re-use your grass clippings on the lawn or have your landscaper recycle the clippings for you.
- Grass clippings can be taken to the Wyckoff Recycling Center - **they are not collected curbside.**
- Don't over fertilize your lawn. Most home lawns require three applications of fertilizer per year. To determine specific lawn growing needs, contact your local Rutgers Cooperative Extension Office for a soil test.

Recreation:

Registration begins for Summer Camp (K-8), Summer Clinics (Cheer, Volleyball, Roller Hockey) Summer Chess Camp, Summer Tennis lessons, Summer Craft Camp (PK-2 Girls), 2nd grade Cheerleading, Fall Flag Football, Soccer (K-8), and Fall Volleyball.

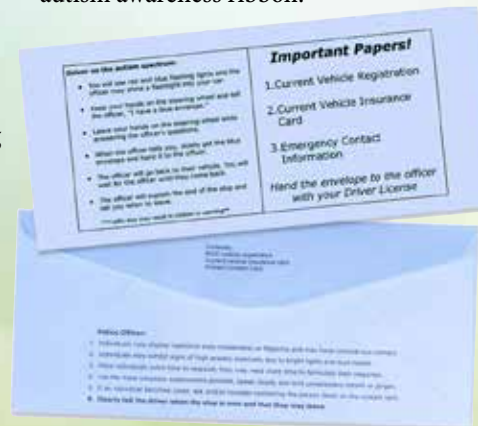

Library:

Are you interested in investigating your genealogy, or maybe you want to learn about investment and financial information or perhaps you just need to find out about if a product has a good consumer rating? Research databases such as Consumer reports, Morningstar, Heritage Guest and Ancestry.com.

Police:

Autism Awareness Month

Wyckoff Police now offers the "Blue Envelope Program". The goal of this program is to avoid any misunderstandings between officers and individuals with ASD. If someone with ASD gets pulled over, the driver presents the Blue Envelope which contains a copy of their driver's license, registration card, current insurance card and an emergency contact list. The outside front of the envelope contains instructions for the driver and the back of the envelope has instructions for the police officer. Both sets of instructions are aimed at having better communication between the officer and driver. In support, for the month of April, officers wear badges symbolizing the colored puzzle piece of the autism awareness ribbon.

Citizens Police Academy -

An eight (8) week program (dates TBD), open to Wyckoff residents between the ages of 35-65. The program provides members of the community with a background and deeper understanding of Wyckoff Police policies and activities, as well as the structure and limit of police power. It helps residents gain a deeper understanding of skills and abilities that police officers bring to their work in the community.

Distracted Driving, UDrive, UText, UPay

is a nationwide campaign aimed at tackling distracted driving and raising awareness among drivers about the deadly dangers and legal consequences of texting while driving. Please do not text and drive.

Building/Engineering:

Septic Maintenance

- Inspect your septic system every 1 - 3 years.
- Pump your tank as often as necessary (typically every 3 to 5 years).
- The average life expectancy for a septic system is 20 years. Consider replacing your system if it is approaching or over 20 years old.

- Avoid practices that might damage your septic tank and leach field, such as driving over it with a car or planting bushes and trees over top of it.
- Do not use drain cleaners or other toxic chemical products.
- Do not use additives of any kind to your septic system.
- Do not put cooking oil or grease down the drain.
- Do not overload your septic system with solids by using a garbage disposal unless the system was specifically designed for one.

Library:

Book clubs are a fantastic way to bring people together who have a shared interest in reading. The library offers something for everyone, building a community of book lovers for all ages and interests. Children have the opportunity to join the First and Second Grade Book Club or the Third, Fourth, and Fifth Grade Book Club. Teens can participate in the monthly Book Chat. There are three groups for adults. The Friends of the Wyckoff Library Book Club has been meeting since 2009. The group reads both fiction and nonfiction, meeting on the third Tuesday evening every month. The Escapist Reader Book Club was created in January, 2023, as a way

to bring book lovers together who seek stories that offer an escape from everyday life. Meetings are held on the third Thursday morning every month. The Vista Senior Living in Wyckoff holds two sessions of their book club, on the third Thursday afternoon of each month. For more information, stop in to speak with a member of the library staff or check out the 'What to Read Next' section on www.wyckofflibrary.org.

Police:

National Bike Safety month

- For bicyclists: Always wear a helmet to protect yourself while cycling. Increase your visibility with reflectors, lights and bright or reflective clothing. For drivers: slow down and give cyclists the space they need, especially when overtaking them. Remain vigilant for cyclists.

National Police Week - May 11 - 17th. Law enforcement officers are honored for their dedication to their community.

June Happenings

Administration:

Fishing Derby - Zabriskie Pond - June 7, 8:30 am registration. Event begins promptly at 9am. This is a catch & release event. Bring only barbless wire and a bucket for your fish catch.

Clerk:

Primary Election Day
Tuesday, June 3rd.
Polls open at 6am.

Purchase your **Summer Park & Ride Pass** valid from May 15-September 15.

Tree Permits are required for any tree removal in the Township. Contractors are now required to be registered within the Township of Wyckoff in order to conduct business here. You must submit an application and then be approved **prior** to any tree removal.

Check our website for tree replacement requirements and to download the application.

Building/Engineering:

PLANNING AHEAD FOR YOUR POOL PROJECT: IF YOU ARE THINKING OF INSTALLING A POOL, NOW IS THE TIME TO GET STARTED! The first step in the inground pool application process is to engage the services of a Professional Engineer who will assist you to obtain and submit the required prior approval – a Storm Water Management (SWM) application. This SWM application will be reviewed by the Wyckoff Township Engineer. This SWM application determines the zero % net increase in drainage runoff into the adjacent properties and the preservation of existing trees on the property. Your inground pool construction Uniform Construction Code (UCC) Permit application will not be accepted by the Building Department until this prior approval is obtained from the Township Engineer.

Public Works Recycling/Trash:

Twice a week Garbage collection begins June 2. See your street index at the back of calendar for your collection days.

Recreation:

Summer Activities begin. Visit the Recreation Facebook page @WyckoffRec for more details on how to sign up.

Library:

The Maker Space at the Wyckoff Library is a place for community members to connect, discover, and create. The library strives to provide enriching opportunities for people to learn new skills and collaborate. The Maker Space will provide access to a variety of tools that allow patrons to make, explore, and tinker.

Build better habits and get wise about waste. Download the Free RC APP.

Summer recreation begins and tennis courts are open. Do your part and recycle used and unwanted tennis balls in the receptacle next to the courts.

Building/Engineering:

The Dirty Dozen - what not to flush
Although the things that you may flush down the toilet may escape your home's plumbing, the sewage blockages that occur in the larger pipes affect many more people than just your family. Because the sewer services are a publicly operated service, the cost to maintain that infrastructure is collected from sewer charges, and more blockages mean a more expensive public bill. See the graphic to right on what NOT to flush.

Recycling/Trash:

Summer Hours at the Recycling Center: Mon. & Wed. through Sat., 9am-3pm; and Tues, 11am-3pm & 6-8pm through August 30.

Recreation:

Summer Activities continue. Passes are available for the tennis and pickle ball courts.

Library:

"Summer Reading Clubs for kids, teens, and adults run all summer long!" Visit wyckofflibrary.org to learn more about our public library.

Police:

Junior Police Academy Wyckoff youth learn what it's like to be a police officer. For one week they experience the life of a police officer participating in drills, lessons, demonstrations and competitions. Week TBD.

"Summonses for Bicycle Safety" summer campaign - done in conjunction with Dairy Queen if you are 19 years of age and under and are caught by a Wyckoff Police Officers wearing your helmet while riding your bike, you may be issued a "summons" for a free ice cream cone at the Wyckoff Dairy Queen.

What Not To Flush

There are many things that should never EVER be flushed down the toilet, such as:

The Dirty Dozen

These items should never be flushed down the toilet

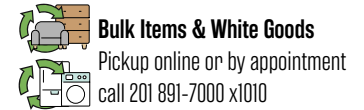

When these items are flushed down the toilet they can cause problems in our homes, wastewater treatment network and the environment

 Q-tips	 Baby wipes	 Facial wipes
 Cleansing pads	 Toilet roll tube	 Medicines
 Cigarettes	 Band-aids	 Diapers
 Tampons/Applicators	 Food waste/grease	 Sanitary pads

The National Institute of Mental Health reports that 1 in 4 adults experience mental illness in a given year. The stigma associated with the disease of mental illness is the main reason people fail to seek the help they need. Stigma-Free Zones aim to inspire public interest and raise awareness of mental illness as a disease and to create a culture wherein residents who have the disease feel supported by their community and feel free to seek treatment without the fear of stigma.

WATER CONSERVATION REMINDER

FOR THE TOWNSHIP OF WYCKOFF

Tuesdays & Saturdays for properties with odd-numbered addresses

Wednesdays & Sundays for properties with even-numbered addresses

Save Water in the Home

- Take shorter showers
- Install a low flow toilet
- Turn water off when brushing teeth or shaving
- Install water saving shower heads or low flow restrictors
- Fix leaky faucets & pipes
- Insulate hot water pipes
- Use automatic dishwasher & washing machine for full loads only or adjust water level

No Irrigation on Monday, Thursdays or Fridays unless using a hand held hose before 10am or after 6pm

Save Water Outside the Home

- Don't leave water running when washing a car or better yet use a car wash service that recycles water
- Water lawns/gardens only when needed- 2x/week for 30 minutes in early am or later pm is best
- Apply mulch around shrubs/flowers helps to reduce evaporation, weeds & promotes growth
- Create a rain garden- use barrels or containers to capture rainfall & reuse

Public Works:

DON'T JUST SWEEP YOUR LEAVES TO THE CURB

Mulch those mowed leaves right back into the lawn. Your recycled leaves are a more sustainable way to reduce waste plus the nutrients from the decomposing leaves will naturally fertilize your garden and lawns. Leaves are a natural source of nutrients and will help reduce the need

to use chemical pesticides which can runoff and pollute into our waterways. Remember, "Only Rain in the Drain".

Leaf Collection begins this month.

Collections will begin in District 1 and continue through District 8. There will be two collections. Check the street index in the back of the calendar for your District.

Leaf Collection Guidelines

1. Place leaves in accessible locations.
2. Avoid placing leaves under shrubbery, on top of rock beds, and around signposts, trees and other obstacles.
3. Leaves should be placed at the edge of your property and not in the street.
4. Don or park vehicles on or around piles of leaves.
5. Instruct children not to play in leaf piles.
6. Do not place branches or twigs in leaf piles. **Leaf piles containing branches or twigs will not be collected.**

Library:

The library provides meeting rooms to local organizations and groups. Three meeting rooms: the Shotmeyer, Monroe and the History Room act as a community center for lifelong learning events.

Police:

Breast Cancer Awareness Month - During the month of October, officers wear pink badges and hats to show their support.

Fire:

Fire Prevention week starts October 5th. Join us for our free annual Fire Prevention open house at Fire Co. 1 6pm-8pm.

Ambulance Corps:

Adult volunteers ages 16 and older needed. Training will be provided. Please support your local Ambulance Corp.

Happy
THANKSGIVING DAY

Did you know?
Thanksgiving is the leading day of the year for home fires involving cooking equipment

Some Helpful Safety Tips

- Stay in the kitchen when you are cooking your turkey and check on it frequently.
- Keep children away from the stove. They should stay 3 feet away.
- Be sure electric cords from an electric knife, coffee maker, plate warmer or mixer are not dangling off the counter within easy reach of a child.
- Keep matches and utility lighters out of the reach of children — up high in a locked cabinet.
- Make sure your smoke alarms are working. Test them by pushing the test button.

January 2026 Happenings

Public Works:

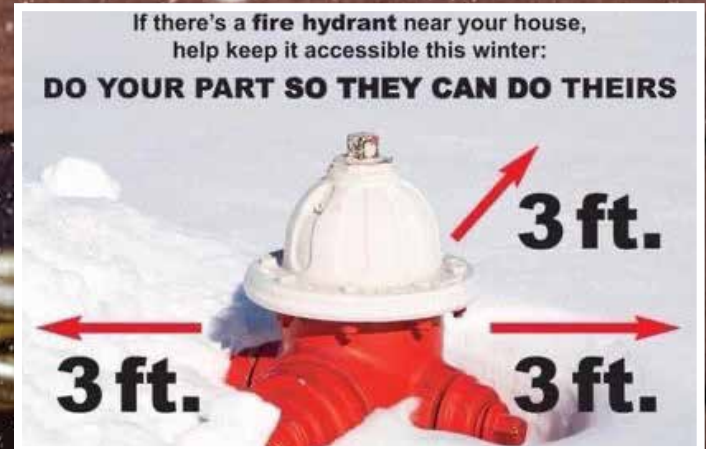

Christmas Tree collection begins.
White goods collection resumes again.

Fire:

Adopt a Hydrant... It May Save Lives! The Wyckoff Volunteer Fire Department requests residents living near a fire hydrant to “Adopt a Hydrant” and remove snow and ice from around a fire hydrant during the winter months. Approximately 600 fire hydrants are present in Wyckoff. Fire hydrants are located approximately every 600 feet on most Township roads. Any assistance in clearing snow from fire hydrants will be appreciated. Most fire hydrants are marked with a hydrant stake.

Library:

The Library offers virtual author talks where residents can enjoy a range of talks and topics from bestselling authors and leaders.

DO NOT LITTER

Place litter in trash receptacles, or recycle. Pollution on streets,
parking lots and lawns get washed into storm drains and directly into
our lakes and oceans. Sooner or later, it ends up in our drinking water

REMEMBER ONLY RAIN IN THE DRAIN !

Garbage and Recycling Information

For all recycling/trash questions please call 201 891-7000 ext. 1010

TRASH & RECYCLING
What goes where?

The Recycling Center is located at 476 West Main Street.

Large Metal Items?
Call 201-891-7000, ext. #1010 to arrange a Wednesday collection.

Computers, Electronics, Small Appliances?
Deposit at the Recycling Center.

Yard Waste is collected curbside from April to October and can also be brought to the Recycling Center.

Bulky Items?
Visit our website / Forms & Applications to complete a Bulk Collection Request or call 201-891-7000, ext. #1010 to arrange a pick-up of TWO bulk items per month on the last Thursday of each month.
(Arrange a pick-up by the Friday prior to the collection date.)
Find all the information you need at wyckoffnj.gov

Clothes & Shoes?
Deposit at any Firehouse or at the Recycling Center.

Keep Appliances and Metal Bulk Items Out of the Waste Stream

Every Wednesday, the Wyckoff Public Works will pick up appliances such as residential room air (not central) conditioners, dehumidifiers, stoves and residential refrigerators and freezers (**with doors removed**). These appliances can also be brought to the Recycling and Conservation Center, 476 West Main Street. White goods will not be collected in November and December.

Disposal of Construction Materials and Unusual Items

As part of the construction planning process, property owners must comply with Township garbage and recycling regulations when undertaking any renovation or structural alteration of their home. Materials such as cardboard, ferrous scrap and white goods must be recycled and a receipt from the recycling market must be provided prior to receiving a Certificate of Occupancy.

If you are in need of special pickups, Google "Garbage Removal" for a list of private contractors who dispose of construction materials, garage doors, pianos, furnaces, fences or any other unusual items.

Are you planning a move or emptying your attic, garage or basement? A quick on-line search will provide options for disposal when your volume of trash exceeds the container limits.

during the twice-a-week collection schedule and **EIGHT** containers per pickup at the curb during the once-a-week collection schedule. **Containers may not be larger than 45 gallons and are not to exceed 50 pounds. Landscaping barrels may NOT be used because their size makes them difficult to handle.**

For a comprehensive list of items and how to dispose of them visit wyckoffnj.gov and click on Recycling & Trash, then click on Disposal Reference Guide for the Reference Table: Disposal of Solid Waste/Recyclables

Curbside Garbage Collection

Residents can place the following items at the curb for their household curbside garbage and trash collections:

Table waste should be bagged and placed in a trash container.

Trash and recyclables must be placed at the curb prior to 6 a.m. of your pickup day, but not before 6 p.m. of the evening before. The containers must be removed by 7 p.m.

Residents may place **FOUR** containers per pickup at the curb

Materials NOT collected in household garbage pickup:

- Electronic equipment
- Household appliances and metal bulk items
- Construction and demolition debris including all types of building materials, as well as rugs and carpet
- Permanent fixtures, such as toilets, sinks, tubs, etc.
- Fences (if metal, bring to Recycling/Conservation Center)
- Swing sets (if metal, bring to Recycling/Conservation Center)
- Aluminum sheds (bring to Recycling/Conservation Center)
- Windows/doors, garage doors
- Grass clippings
- Pianos
- Pool filters and heaters
- Glues and adhesives
- Wood, wood pallets and fireplace wood
- Railroad ties
- Propane tanks
- Fluorescent light bulbs
- Furnaces (ask vendor installing new furnace to take old unit)
- Oil-and water-based paints, shellacs and wood preservatives
- Hazardous waste

WATER CONSERVATION REMINDER
FOR THE TOWNSHIP OF WYCKOFF

Tuesdays & Saturdays for properties with odd-numbered addresses

Wednesdays & Sundays for properties with even-numbered addresses

Save Water in the Home

- Take shorter showers
- Install a low flow toilet
- Turn water off when brushing teeth or shaving
- Install water saving shower heads or low flow restrictors
- Fix leaky faucets & pipes
- Insulate hot water pipes
- Use automatic dishwasher & washing machine for full loads only or adjust water level

No Irrigation on Monday, Thursdays or Fridays unless using a hand held hose before 10am or after 6pm

Save Water Outside the Home

- Don't leave water running when washing a car or better yet use a car wash service that recycles water
- Water lawns/gardens only when needed- 2x/week for 30 minutes in early am or later pm is best
- Apply mulch around shrubs/flowers helps to reduce evaporation, weeds & promotes growth
- Create a rain garden- use barrels or containers to capture rainfall & reuse

Dual is Cool

DUAL STREAM RECYCLING

Complete information about the program can be found on the next page.

Places to Recycle Old Clothes, Shoes, and Books

- Two bins are located behind Town Hall and between the Fire House and the Ambulance Corps buildings. (clothes and shoes only)
- One bin is located at Fire Company 2, 180 Wyckoff Avenue. (clothes and shoes only)
- More bins can be found at the Recycling/Conservation Center at 476 West Main Street, which is open daily and on Saturdays. (clothes, shoes, books, DVDs, CDs)

Vegetative Waste Collection

Vegetative Waste Collection occurs the first Thursday for Districts 2, 3, 6, and 7 and the first Friday for Districts 1, 4, 5, and 8, beginning April 3 and ending October 3. Please refer to the street index for your District.

Medicine Disposal Available

Residents may drop off unused or expired medicine, either prescribed or over-the-counter, at the Wyckoff Police Headquarters in Town Hall at 340 Franklin Avenue. The office is open Monday through Friday, 9:00 am to 4:30 pm, and on Saturdays between 9:00 am and 1:00 pm. Please remove any labels which contain personal information. **Syringes/Epipens not accepted.**

Personal Paper Recycling “Shredfest”

Each year the Township offers a free opportunity for residents to shred their personal paper documents at our Shred Day event. Residents also have the opportunity to recycle their clean, white, dry packing Styrofoam and dispose of unused and expired medicines at the event too. Packing peanuts and food containers are not accepted. Check the website for more info or sign up for our E-News to receive a notice about the event. **In addition, the Recycling/Conservation Center now houses a new secure confidential paper shredding container to drop off your confidential papers and a polystyrene collection bin year round when the Recycling Center is open.**

Three Ways to Recycle Your Grass After Mowing

1. As a “green” alternative, consider the “cut it and leave it” approach which will actually benefit your lawn by returning nutrients and organic matter to the soil. Grass clippings returned to the lawn can provide up to 25% of your lawn’s total fertilizing needs.
2. Residents also have the option of taking grass clippings to the Recycling and Conservation Center at 476 West Main Street.
3. Home compost your grass. Mix your grass with flowers, leaves and twigs. Turn the pile over at least once or twice a month to foster decomposition and healthier compost. Compost is great for suppressing weeds and holding in soil moisture. Spread a two to four inch layer around the base of plants, adding new layers over time.

Landscapers are not permitted at the Recycling and Conservation Center.

Recycling & Conservation Center Hours

The Recycling/Conservation Center at 476 West Main Street is open for the convenience of Wyckoff residents and businesses during:

September through April

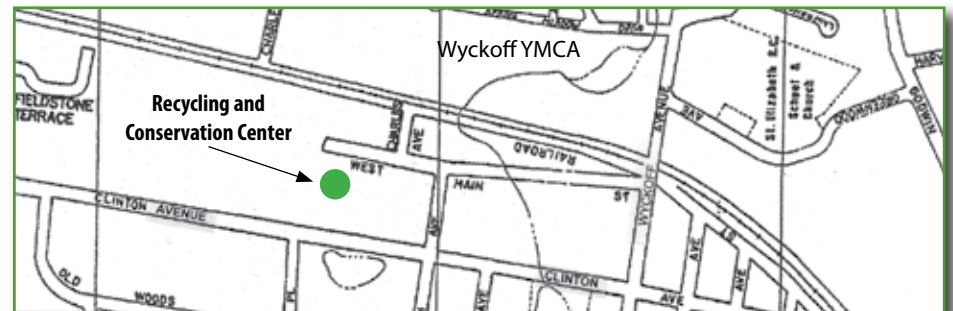

Monday through Saturday, 9:00 a.m. to 3:00 p.m.

May through August

Monday and Wednesday through Saturday, 9:00 a.m. to 3:00 p.m.

Tuesday, 11:00 a.m. to 3:00 p.m. and 6:00 p.m. to 8:00 p.m.

Materials accepted at the Recycling/Conservation Center: glass food or beverage containers, steel cans, aluminum cans, coated paper food cartons, plastics #1, 2, and 5* (all other plastics should be discarded in household trash), scrap metals, appliances (**refrigerators and freezers with doors removed, washers, dryers, etc.**), computers and electronics, rechargeable batteries, lawn mowers and snow blowers (without oil, gas or rubber tires), corrugated and single-ply cardboard, newsprint, paperback books, confidential papers, junk mail, magazines, grass, leaves, branches (under 3 inches in diameter), vegetative waste, Christmas trees, clothes, shoes, hard-cover books, and polystyrene #6 foam. Plastic bags of any kind or color are not recyclable. Place them in your trash or return them to the retailer.

Cardboard & Mixed Paper Recycling

- **Newspaper**

- **Cardboard** (flattened)

- **Mixed Paper:** junk mail, magazines, paperback books, cereal boxes, paper bags, catalogs, office paper, and envelopes

Use cardboard boxes, reusable bins or paper bags to hold your cardboard/newspaper/mixed paper recycling.

Paper should be dry. It should not be bound with tape, twine or rope.

Secure containers with a lid, especially on windy and rainy days.

New Jersey now has a law that is designed to reduce single use plastic and paper litter.

What can you do to support **Bag Up NJ**?

- Bring your own reusable shopping bag when you go to the store.

- Recycle your plastic bags at retail stores.

- Decline a straw when offered or bring a reusable straw.

In order to meet the market demand for "clean recyclables" do not place plastic bags and greasy pizza boxes with your recyclables.

Avoid using single-use plastic bags! The best shopping bag is a reusable bag that can be used over and over again. Reusable shopping bags help to reduce litter and pollution, decrease the waste production cycle, and promote sustainability. Best of all, they're cost-effective.

NEW Polystyrene and Confidential Paper Shredding Containers at the Recycling Center.

Now you can drop off your polystyrene foam (Styrofoam) packing material conveniently at the Recycling Center during normal business hours.

Recycle your clean white polystyrene only. Must be free of tape, stickers, plastic, cardboard, glue and labels. Please make sure it is clean of dirt, dust and paint. If it is not #6 EPS polystyrene foam, it will not be accepted. Recycling polystyrene helps to keep non-biodegradable litter out of the waste stream.

You can also drop off your confidential papers in a secure container at the Recycling Center. Paper is shredded and recycled.

METAL RECYCLING

WHITE GOODS & LARGE METAL ITEMS ARE COLLECTED FOR RECYCLING ON WEDNESDAYS. COMPLETE THE NEW ONLINE FORM TO SCHEDULE A PICK UP OR CALL 201-891-7000, EXT. #1010.

COLLECTIONS SUBJECT TO CANCELLATION FOR SNOW REMOVAL.

COLLECTIONS ARE ALWAYS PAUSED DURING FALL LEAF COLLECTION.

YOU CAN ALWAYS BRING YOUR METAL ITEMS TO THE RECYCLING CENTER ON YOUR OWN.

PROTECT WATER QUALITY, PREVENT ILLICIT ACTIVITIES QUICK REFERENCE ILLICIT GUIDE

Illicit activities are those that intentionally or accidentally introduce pollutants into our stormwater systems. Illicit discharge, dumping, spills and connections pose a great risk to our water resources. Fortunately, most of these actions can be prevented in both residential and commercial areas.

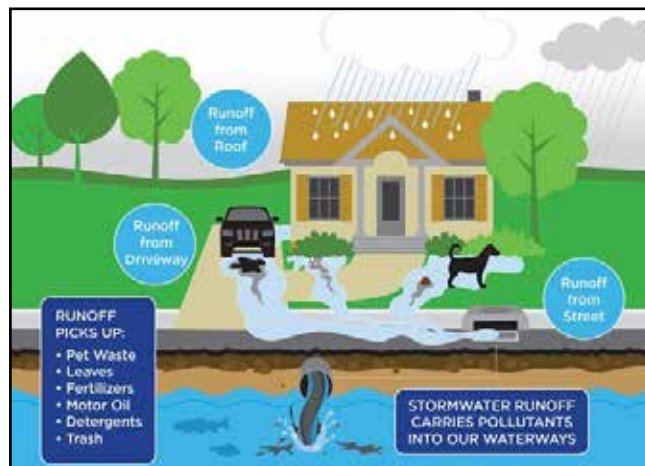

With your help, we can protect and preserve the vital waterways of Wyckoff.

Stormwater system refers to storm drains, pipes, ditches, channels and ponds that convey, store, release or treat stormwater runoff.

One of the greatest threats to our lakes, rivers and streams is pollutants in stormwater runoff. Simply stated, stormwater runoff is the water that flows over the land during and immediately after a rainstorm. As this water flows, it collects pollutants such as sediment, leaves, pesticides and automobile fluids. These contaminants can impact wildlife, fish, plants and surface water quality.

ILLICIT DISCHARGE - Any liquid, not composed entirely of stormwater, that is introduced into a stormwater system. Examples include solvents, vehicle fluids, fuels, paints, household products and chlorinated swimming pool water.

ILLICIT DUMPING - Unloading or disposal of solid, semi-solid or liquid substances near or into a stormwater system. Examples include motors, containers, grass clippings and leaves.

ILLICIT SPILLS - Any intentional or accidental spill of solid, semi-solid or liquid substances into or adjacent to a stormwater system. Examples include fluids from vehicles, chemicals from drums or storage tanks, used oil, paint containers and fertilizer.

ILLICIT CONNECTIONS - Any constructed conveyance that connects non- stormwater discharges directly to a stormwater system. These illicit conveyances are located either above or below the ground and may include drains, pipes or ditches.

WAYS TO REDUCE ILLICIT ACTIVITIES

HOMEOWNERS

- Dispose of household chemicals properly at designated collection sites.
- Follow label directions on pesticide and fertilizer containers and dispose of properly.
- Use yard waste as mulch or dispose of properly by bagging or composting leaves and grass clippings.
- Recycle approved containers.
- Maintain septic systems.
- De-chlorinate swimming pool water before discharging.

BUSINESSES

- Properly store and dispose of substances used in commercial processes.
- Landscape to prevent excessive runoff and erosion.
- Maintain privately owned stormwater ponds.
- Learn and comply with local environmental ordinances.

WATER POLLUTION SOURCES

- Illicit discharge into a stormwater system
- Illicit dumping into a stormwater system or near a body of water
- Illicit spills on a parking lot, road, or ground surface can flow into the nearest storm drain of a stormwater system
- Illicit connections from a residence or business connected to a stormwater system that convey an illicit discharge

Please prevent or report any illicit activities you may see by calling 201-891-7000, ext. 4020 or the Wyckoff Police non-emergency number at 201-891-2121.
