A message from Police Chief David Murphy:

Proper Leaf Collection

The 2017 Fall leaf collection is scheduled to begin on Monday, October 16. In 2004, the Township was required to adopt and enforce NJ Department of Environmental Protection rules that prohibits placing leaves in roadways or within 10 feet from any storm sewer drain. If placement of leaves occurs within 10 feet of any storm drain inlet or in the roadway, the property owner shall be responsible for the prompt removal of leaves from the street or from any drain inlet encroachment, or the property owner shall be deemed in violation and the Wyckoff Police Department will enforce.

During the leaf collection period, rake leaves to the edge of your lawn and spread along the entire frontage. Do not sweep, rake, blow or otherwise accumulate leaves for collection that are not containerized at the curb and place in the paved portion of the roadway.

We all must be responsible and mindful of these piles, since they can create a dangerous condition for children, vehicles, bicyclists and pedestrians trying to navigate the area.

We cannot stress enough the value of our residents remaining alert in their neighborhoods and reporting anything unusual or suspicious to the police, "Hear It! See It! Report It!" We encourage all residents to report any suspicious persons, vehicles, or activity occurring in their neighborhoods at any time to Wyckoff Police- County Dispatch (201)891-2121

“The Wyckoff Police Department would like to point out that these individuals have been charged with a crime, offense, and/or motor vehicle violation. However, they are presumed innocent unless and until they are found guilty in a court of law.”
