TUESDAY, OCTOBER 3, 2017**

**Meeting Called To Order**

Mayor Rudolf E. Boonstra called the regular meeting of the Wyckoff Township Committee in the Municipal Court Room to order at 8:00 pm.

**Flag Salute**

The Township Committee proceeded with the Pledge of Allegiance led by Patrolman Kevin J. Pinches.

**Invocation**

The Invocation was given by Reverend Wesley Kenyon from Wy.

**Attendance**

**Township Committee Present:** Mayor Rudolf E. Boonstra; Committee Present: John A. Carolan, Thomas J. Madigan, Brian D. Scanlan and Timothy E. Shanley

**Staff Present:** Joyce C. Santimauro, Municipal Clerk, Township Administrator Robert J. Shannon, Township Attorney Robert Landel and Thomas Garlick, Esq..

**Open Public Meeting Act Statement:**

Township Clerk Joyce Santimauro read the "Open Public Meeting Act" Statement: "This regular meeting of the Township Committee of the Township of Wyckoff is now in session. In accordance with the provisions of Section 8 of the Open Public Meetings Act, I wish to advise that notice of this meeting has been posted in the lower level of the Memorial Town Hall and that a copy of the schedule of meetings has also been filed with the Township Clerk, and copies of this agenda and the annual notice of meetings, of which this is a part, have been heretofore sent to the Ridgewood News, The Record, and The North Jersey Herald and News all papers with general circulation throughout the Township of Wyckoff. At least 48 hours prior to this meeting the Agenda thereof was similarly posted, filed and mailed to said newspapers."

**Public Comment**

Committeeman Carolan made a motion to open the meeting for public Comment; Seconded by Committeeman Shanley. All voted in favor.

James Blaze, 493 Chapman Place. Mr. Blaze commented on the Mayor's comments from this evening about the Russell Avenue/Route 208 Southbound interchange area where the New Jersey Department of Transportations (NJDOT) are utilizing the Russell Avenue island as a construction site/dump depot for accumulated "sludge material". The efforts the township has made for site improvements are ongoing. Mr. Blaze indicated that contacting the press would be the solution to the intersection dilemma. Mr. Blaze also commented on the Ridgewood water rate increases, the settlement and appeal process.

Committeeman Carolan made a motion to close the public comment time of the regular business meeting; Seconded by Committeeman Shanley with an affirmative vote.

**Patrol Sergeant Kevin Pinches**

The Wyckoff Township Committee would like to announce the promotion of Patrol Officer Kevin Pinches to Patrol Sergeant Kevin Pinches.

Sergeant Pinches has been a member of the Wyckoff Police Department since January 2007. Since joining the department he has taken on many responsibilities including: Field Training Officer, Discovery, Alcotest Operations, Domestic Violence Liaison and Bike Patrol. Kevin has participated and taken advantage of over 50 in-service training programs that were offered to further his knowledge and capabilities. He has been the recipient of several awards where

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, OCTOBER 3, 2017**

he was recognized three times for CPR/lifesaving and once for a performance commendation.

Kevin graduated from the Essex County College Police Academy as an Alternate Route recruit. He earned his bachelor's degree in marketing and communications from Emerson College in Boston, MA where he graduated with high honors, Magna Cum Laude.

Kevin's training, education and experience make him an ideal Patrol Sergeant for the Wyckoff Police Department.

**Consent Agenda:** All matters listed below are considered by the Township Committee to be routine in nature. There will be no separate discussion of these items. If any discussion is desired by the Township Committee, that item will be removed from the Consent Agenda and considered separately:

**I       Resolutions (Adoption of the following):**

**#17-246       Establish Lien for Block 304 Lot 1 – 94 Midland Avenue**

**WHEREAS**, the residential home and land at 94 Midland Ave, Block 304/Lot 1 is owned by Novaid Management Consulting; and,

**WHEREAS**, the Township Committee of the Township of Wyckoff has established a property maintenance code known as Chapter 152 of the Code of the Township of Wyckoff; and,

**WHEREAS**, all the owners of property in the Township of Wyckoff are required to comply with the provisions in Chapter 152 of the Code of the Township of Wyckoff; and,

**WHEREAS**, adjacent property owners and neighbors have brought property maintenance violations to the attention of the Zoning Administrator and the Zoning Administrator has issued an abatement notice in compliance with Chapter 152 to the owner and mortgagee of 94 Midland Ave. The Zoning Administrator has attempted to obtain compliance through letters and telephone calls as detailed on the attached certification with the result that the owner and mortgagee have failed to abate the violations enumerated in the abatement notice; and,

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, OCTOBER 3, 2017**

**WHEREAS**, the property owner has the duty to remove the violations after notice has been issued; and,

**WHEREAS**, the Zoning Administrator has filed a certification dated September 20, 2017 (attached as if set forth at length) in compliance with Chapter 152 which certifies the cost of \$ 695.00 as the verified charge to abate certain violations; and,

**WHEREAS**, the attached certificate with attachments is presented to the Township Committee for their examination and if found correct, to be charged against the lands upon which the violation existed.

**NOW, THEREFORE, BE IT RESOLVED** by the Township Committee of the Township of Wyckoff, County of Bergen, State of New Jersey that they have examined the certification dated September 20, 2017 from the Zoning Administrator and find it to be correct and cause the cost of \$695.00 to be charged against the land, namely Block 304/Lot 1, known as 94 Midland Ave as a lien on the property for the cost to abate the property maintenance violation.

**BE IT FURTHER RESOLVED**, that the amount of \$ 695.00 charged shall become a lien upon such lands and shall be added to and become, in form, part of the taxes next to be assessed and levied upon Block 304 Lot 1, 94 Midland Ave. This amount shall bear interest at the same rate as taxes and shall be collected and enforced by the Tax Collector and in the same manner as taxes.

**BE IT FURTHER RESOLVED**, that the Municipal Clerk shall provide a certified copy of this resolution and certification to the property owner, the Wyckoff Tax Collector, and the Zoning Administrator.

**#17-247      Reduction of 2017 Tax Levy Due to County Board Judgements**

**WHEREAS**, N.J.S.A. 54:3-21 – 29, allows for property owners to appeal their assessed valuation for the taxing year, and

**WHEREAS**, judgements from the County Board of Taxation and the State Tax Court have been made and received reducing the assessed value after the certification of the 2017 Tax Duplicate; and,

**WHEREAS**, these judgements cause a reduction in the total amount of taxes to be levied and collected in 2017; and,

**WHEREAS**, these reductions result in a reduction to the collectable amount of the 2017 Tax Levy of \$78,650.48; and,

**NOW THEREFORE BE IT RESOLVED**, by the Township Committee of the Township of Wyckoff that the Tax Collector is hereby authorized and directed to adjust 2017 taxes due for the listed properties; and,

**BE IT FURTHER RESOLVED**, to make the appropriate reductions to the 2017 Tax Levy for these judgements and any future judgements as received.

**#17-248      Payment of Bills**

**WHEREAS**, the Township of Wyckoff is a municipality in the State of New Jersey operating under the authority from NJSA 40A:63-1 et seq; and,

**WHEREAS**, the Township of Wyckoff has received vouchers in claim for payment of materials supplied and/or services rendered; and,

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, OCTOBER 3, 2017**

**WHEREAS**, the said vouchers have been reviewed and the amount indicated on each voucher has been determined to be due and owing; and,

**WHEREAS**, the Township Committee has a practice of each Township Committee member participating in the reviewing and signing of vouchers; and,

**WHEREAS**, the vouchers which comprise this bill list have been reviewed and signed by two (2) Township Committee members and they have found them to in order; and,

**WHEREAS**, the Township Treasurer has certified that sufficient funds are available for payment of said vouchers.

**NOW, THEREFORE, BE IT RESOLVED**, by the Township Committee of the Township of Wyckoff that the action of the said Finance Committee be approved; and, that the payments of these bills are hereby authorized and the Chief Financial Officer is directed to issue checks for their payments as listed on the bill list attached to this date's meeting minutes and covered by checks no. 16474 – 16509 Payroll A/C, Direct Deposit Vouchers no. 8389 - 8443, Library Payroll check nos. 1350 - 1352, Library Direct Deposit Vouchers no. 3209 - 3241, Claims Wire nos. 171001, 171002 & 171003, AHDTF check no. 1007, AHDTF Voided check no. 1006, Claims check nos. 077322 – 077412, Claims Manual check no. 077413 and Voided Claims checks no. 077321 & 077411.

**#17-249      Award Contract for With Pay to Play Compliance**

**WHEREAS**, the Police Department has a need to replace its carbines with new, modern models; and,

**WHEREAS**, N.J.S.A. 19:44A-20.4 et seq., requires contracts procured through price quotations that are below the municipalities bid threshold but over the Pay to Play threshold of \$17,500 to be authorized after municipalities obtain the political contributions disclosure forms and the business entity disclosure certification.

**PROPERLY SHREDDED GARBAGE**

The wastes from the preparation, cooking and dispensing of food that have been shredded to such degree that all particles will be carried freely under the flow conditions normally prevailing in public sewers, with no particle greater than 1/2 inch [1.27 centimeters] in any dimension.

**PUBLIC SEWER (MAIN)**

The Township sewer which is generally laid longitudinally along the center lines or other part of the street or other right-of-way in which all owners of abutting properties have equal rights. "Public sewer" shall not include any dry sewer which is not yet connected to functioning sewage works.

**SANITARY SEWAGE**

Sewage (including properly shredded garbage) discharging from the sanitary conveniences of dwellings, office buildings, factories or institutions and which is free from storm- and surface water.

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, OCTOBER 3, 2017**

**SANITARY SEWER**

A sewer which carries sewage and to which storm-, surface and ground waters are not intentionally admitted.

**SEWAGE**

A combination of the water-carried wastes from residences, business buildings, institutions and industrial establishments, together with such ground-, surface and stormwaters as may be present.

**SEWAGE TREATMENT PLANT**

Any arrangement of devices and structures used for treating sewage.

**SEWAGE WORKS**

All facilities for collecting, pumping, treating and disposing of sewage.

**SEWER**

A pipe or conduit for carrying sewage.

**SLUG**

Any discharge of water, sewage or industrial waste which, in concentration of any given constituent or in quantity of flow, exceeds for any period of duration longer than 15 minutes more than five times the average twenty-four-hour concentration of flows during normal operation.

**STORM DRAIN (SOMETIMES TERMED "STORM SEWER")**

A sewer which carries storm- and surface waters and drainage but excludes sewage and industrial wastes, other than unpolluted water or waste.

**SUSPENDED SOLIDS**

Solids that either float on the surface of or are in suspension in water, sewage or other liquids and which are removable by laboratory filtering.

**TOWNSHIP**

The Township of Wyckoff, the governing body of the Township of Wyckoff or other official or department designated by the Township Committee.

**TOWNSHIP ENGINEER**

The ~~Construction Code Official~~ NJ Licensed Professional Engineer of the Township of Wyckoff or his authorized agent.

**TOWNSHIP SEWER SYSTEM**

The sanitary sewer system owned and/or controlled by the Township of Wyckoff.

**UNPOLLUTED WATER OR WASTE**

Any water or waste containing no: free or emulsified grease or oil; acid or alkali; phenols or other substances imparting taste and odor in receiving waters; toxic and poisonous substances in suspension, colloidal state or solution; and noxious or odorous gases. It shall contain not more than 10,000 parts per

million by weight of dissolved solids, of which no more than 2,500 parts per million shall be as chloride, with permissible volume subject to review by the Authority, and not more than 10 parts per million each of suspended solids and BOD. The color shall not exceed 50 parts per million.

**WATERCOURSE**

A channel in which a flow of water occurs either continuously or intermittently.

B. Word usage. "Shall-" is mandatory; "may" is permissive.

**SECTION 2 – Chapter 157-19.**

Permit required for connection shall be amended as follows:

**Section 157-19. Permit Required for Connection**

No person shall uncover, make any connections with or opening into, use, alter or disturb any municipal or Authority sewer or appurtenance thereof without first obtaining a written permit from the Authority and from the Township Engineer. Copies of all applications, correspondence, plans, specifications and supplemental data which are furnished by the applicant to the Authority in connection with said permit shall also be furnished by the applicant to the Township Engineer. A Township permit shall not be issued in any case requiring an Authority permit until the Authority permit has been obtained by the applicant and a copy thereof is furnished to the Township Engineer.

**SECTION 3 – Chapter 157-20.**

Classes of Permits shall be deleted as follows:

**~~A. Classes of Permits~~**

~~There shall be two classes of Township building sewer connection permits, which shall be issued by the Township Engineer (after submission of a completed application, on forms prescribed by the Township Engineer, and submission of a reasonably accurate plan) as follows:~~

**~~(1)~~**

~~Residential and commercial service to be connected to the Township sewer system or to the Authority sewer system and for which the application shall be accompanied by an inspection and permit fee of \$10 for each one-family dwelling and \$10 for each unit, such as a store, apartment, office or similar facility, in a commercial building.~~

**~~(2)~~**

~~Service for establishments producing industrial wastes to be connected to the Township sewer system or to the Authority sewer system and for which the application shall be accompanied by an inspection and permit fee of \$25 for each separate building sewer.~~

**~~B.~~**

~~Any request for reinspection required by nonconforming or incomplete work shall be accompanied by a reinspection fee of \$10.~~

**~~C.~~**

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, OCTOBER 3, 2017**

~~Classes of Authority building sewer connection permits and fees therefor shall be as stipulated by the Authority. All costs in connection with the securing of an Authority permit shall be borne by the applicant.~~

**SECTION 4 – Chapter 157-21 is renumbered to Chapter 157-20, Permit to empty individual disposal facility; Fee shall be amended as follows:**

**SECTION 157-20. Permit to empty individual disposal facility; Fee.**

157-24 20 A permit shall be required to pump or empty any individual sewage disposal facility, and an application for such a permit shall be accompanied by a permit fee of \$10 issued by the Board of Health.

**SECTION 5 – Chapter 157-22 is renumbered to Chapter 157-21.**

**Extension of Sewer System shall be amended as follows:**

**157-22 21. Extensions of sewer system.**

Extensions of or changes in the existing Township sewer system to provide sewer service to an unserved area may be initiated by any private resident and, if approved by the Township Committee, shall be privately funded. The applicant shall satisfy the requirements of the Township Engineer and engage their own professional engineer to design plans in accordance with Township requirements and obtain a Treatment Works Approval from the NJDEP. by the Township or by petition from property owners submitted to the Township Engineer. The Township of Wyckoff will not participate or fund any portion of a sewer extension.

**SECTION 6 – Chapter 157-23 is renumbered to Chapter 157-22. Installation of building sewer laterals: Charges shall be amended as follows:**

**157-23 22. Installation of building sewer laterals; charges**

A. Where a public sewer is available but no building sewer exists, a property owner desiring sewer service shall make application to the Township Engineer or acting upon notification of the Township to connect shall apply, in writing, to obtain a permit to make a new sewer connection. the Township Engineer to have a building sewer installed. Installation of building sewer laterals shall in all cases be done by a licensed, registered and insured sewer contractor upon obtaining all necessary permits from approved by the Township, or by such Township department or official as may be designated by the Township and shall be installed at the place and in the The work shall be performed in a manner prescribed by the Township Engineer. In each such case, or in any instance where the connection to the building sewer requires the performance of labor or the furnishing of materials by the Township, there shall be a minimum charge of \$300 to cover the Township's costs. Where, because of the nature and

~~extent of the work to be done or the pavement or terrain to be penetrated or the width of the road traversed or in any other circumstances where the sum of \$300 is not sufficient to cover the costs and expenses of the Township, the Township Engineer shall fix a higher fee to cover the Township's costs and expenses. All work to be performed within the public right of way shall require a road opening permit.~~

**B.**

~~In the similar case of an available Authority sewer but no building sewer, the property owner shall make application to the Authority for the installation of the building sewer.~~

**C. B.**

All costs and expenses incidental to the installation of a building sewer lateral shall be paid by the owner, including any required connection fees to the Township and Authority., ~~whether the installation is by the Township or the Authority.~~

**D. Properties which have not had sewer assessments.**

**(1)**

In addition to the foregoing, the property owner shall pay to the Township a connection fee in an amount determined by the Township Administrator in accordance with the following formula:

**(a)**

The amount representing all debt service, including but not limited to sinking funds, reserve funds, the principal and interest on bonds and the amount of any loans and interest thereon, paid by the Township to defray the capital cost of developing the system as of the end of the immediately preceding fiscal year of the Township shall be added to all capital expenditures made by the Township not funded by a bond ordinance or debt for the development of the system as of the end of the immediately preceding fiscal year of the Township.

**(b)**

Any gifts, contributions or subsidies to the Township received from, and not reimbursed or reimbursable to, any federal, state, County or municipal government or agency or any private person and that portion of amounts paid to the Township by a public entity under a service agreement or service contract which is not repaid to the public entity by the Township shall then be subtracted.

**(c)**

The remainder shall be divided by the total number of service units served by the Township at the end of the immediately preceding fiscal year of the Township, and the results shall then be apportioned to each new connector according to the number of service units attributed to that connector, to produce the connector's contribution to the cost of the system. In attributing service units to each connector, the estimated average daily flow of sewage for the connector shall be divided by the average daily flow of sewage for the average single-family residence in

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, OCTOBER 3, 2017**

the Township as determined by the Township Engineer, to produce the number of service units to be attributed. A connector may propose, in writing, an alternate method to determine the estimated average daily flow of sewage by delivering copies of the connector's alternate proposed methodology to the Township Administrator. The Township Administrator will review the submissions and report to the Township Committee, which may, after public hearing in the manner set forth below, permit the connection fee charged pursuant to this section to be computed according to the methodology proposed by the connector if the Township Committee finds that such proposal will result in a more accurate estimate of sewage flow.

**(2)**

The connection fee shall may be recomputed at the end of each fiscal year of the Township after public hearing is held in the manner prescribed in this section. The revised connection fee may be imposed upon those who subsequently connect in that fiscal year to the system.

**(3)**

The Township shall prescribe, and from time to time when necessary, revise the connection fee charged under this section. The revised connection fee may be adopted by the Township Committee after public hearing thereon which shall be held at least 20 days after notice of the proposed adjustment and of the time and place of the public hearing which shall be published in at least two newspapers of general circulation in the Township. The Township Committee shall provide evidence at the hearing showing that the proposed adjustment of the connection fee is necessary and reasonable, and shall provide an opportunity for cross examination of persons offering such evidence, and a transcript of the hearing shall be made, and a copy thereof shall be available upon request to any interested party at a reasonable fee. A copy of the connection fee determination and the amount thereof in effect at all times shall be kept on file in the office of the Township Clerk and Township Administrator, and at all times shall be open to public inspection.

**E.**

For the fiscal year 2000, and until revised by the Township Committee as prescribed herein, the connection fee apportioned to one service unit shall be \$2,418.

**SECTION 6 – Chapter 157-24 is renumbered to Chapter 157-23, Connections from building drains to building sewer laterals is amended as follows:**

**157-24 23 Connections from building drains to building sewer laterals.**

The building connection from the building drain to the public sewer via a building sewer lateral shall be installed by and at the expense of the

permittee. ~~No person, firm or corporation except a master plumber licensed to do work in the Township or a person holding a license to do such work issued by the State of New Jersey shall carry on the business of building sewer connection work in the Township of Wyckoff. Notwithstanding the foregoing, a bona fide owner of a single-family or two-family dwelling house in the Township who resides therein may install his own building connection, provided he personally performs all labor and personally purchases all material in connection therewith and otherwise complies with all requirements of this Part 1 and all other applicable law.~~ Any person doing the work or any part thereof referred to in this section shall file satisfactory proof of insurance protecting the Township and Authority from public liability and property damage in an amount determined by the Township Engineer and in form satisfactory to the Township Attorney.

**SECTION 7 – Chapter 157-25 is renumbered to 157-24, Compliance with Plumbing Code is amended as follows:**

**157-25-24. Compliance with Plumbing Subcode.**

All ~~building sewer~~ connections shall be made in accordance with the Plumbing Subcode of the Uniform Construction Code of the State of New Jersey.

**SECTION 8 – Chapter 157-26 is renumbered to 157-25, Laying of building sewer laterals connections is amended as follows:**

**157-26 25 Laying of building sewer laterals connections.**

Where determined by the Township Engineer to be feasible, the building ~~sewer laterals connections~~ for new construction shall be brought to the building at an elevation below the basement floor. The ~~building connections laterals~~ for existing buildings may be brought to the building below the basement floor (for basement service by gravity) if determined by the Township Engineer to be feasible, or where there are no plumbing facilities requiring basement service or where approved artificial means of lifting basement sewage is provided, they may be brought to the building above the basement floor. Building ~~connections sewer laterals~~ shall not be laid parallel to or within three feet of any bearing wall, which might thereby be weakened. The building connection shall not be laid in the same trench as the water service connection or any other public utility, and they shall be provided with a minimum horizontal separation of 5 feet where practical~~10~~ feet. ~~Normally, If horizontal separation is impractical,~~ the building sewer lateral connection shall be placed at a lower elevation than, and at least 18 inches below, the bottom of the water service line. The depth shall be sufficient to afford protection from frost. The building sewer lateral connection shall be laid at uniform grade and be properly bedded in granular material with no point loading in straight alignment insofar as possible. Changes in direction shall be made only with fittings of not greater than 45 degrees~~properly curved pipe and fittings~~. Cleanouts shall

be placed outside the foundation at the connection point between the building drain and the building sewer lateral and, as described for the point of connection to the building sewer, shall be constructed at every change in direction, ninety-degree bend and at approximately equal intervals of no more than 75 feet in straight runs, of building connection. The building sewer lateral from the building shall connect to the building sewer lateral at the property line via a cleanout. The cleanout at the property line and the pipe located within the public right of way shall be 6 inch ductile iron pipe to the point of connection with the public sewer main.

**SECTION 9 – Chapter 157-27 is renumbered to 157-26. Connections of surface drainage to sanitary sewers prohibited is amended as follows:**

**157-27 26 Connections of surface drainage to sanitary sewers prohibited.**

No person shall connect roof downspouts, exterior foundation drains, areaway drains or other sources of surface runoff or groundwater to a building sewer lateral, building connection or building drain which in turn is connected directly or indirectly to a sanitary sewer. Sump pumps shall not be connected to a sanitary sewer.

**SECTION 10 – Chapter 157-28 is renumbered to 157-27. Separate connection for each building; exception is amended as follows:**

**157-28 27 Separate Connection for each building; exception**

A separate and independent building sewer lateral ~~connection~~ in a separate trench shall be provided for every building; except where one building stands at the rear of another on an interior lot and no private sewer is available or can be constructed to the rear building through an adjoining alley, court, yard or driveway, then the building drain connection from the front building may be extended to the rear building and the whole considered as one building sewer lateral. connection.

**Section 11 – Chapter 157-29 is renumbered to 157-28. Lifting sewage when gravity flow not possible is amended as follows:**

**157-29 28. Lifting sewage when gravity flow not possible**

In buildings in which the building drain is too low to permit gravity flow to the building sewer lateral, sanitary sewage carried by such building drain shall be lifted by approved artificial means and discharged to the building drain connection or building sewer lateral.

**SECTION 12. Chapter 157-30 is renumbered to 157-29. Excavations for building connections is amended as follows:**

**157-30 29. Excavations for building connections.**

All excavations required for the installation of building sewer laterals connection shall be open trench-work unless otherwise approved by the Township Engineer. Pipe laying and backfill shall be performed in

**TOWNSHIP OF WYCKOFF  
TOWNSHIP COMMITTEE REGULAR BUSINESS MEETING  
SECOND FLOOR MUNICIPAL COURT ROOM  
TUESDAY, OCTOBER 3, 2017**

accordance with the requirements of the Township Engineer, and no backfill shall be placed over a pipe until the work has been inspected by the Township Engineer.

**SECTION 13. Chapter 157-31 is renumbered to 157-30. Inspection of building sewer laterals and drain connections is amended as follows:**  
**157-34 30. Inspection of building sewer laterals and drain connections.**

The permittee shall notify the Township Engineer when the building drain connection is ready for inspection and connection to the building sewer lateral. The Township Engineer shall apply appropriate tests to the building drain connection, and the plumber performing the installation shall at his own expense furnish all necessary tools, labor and material for such tests and shall remove and replace or satisfactorily repair any defective work or materials when ordered to do so by the Township Engineer. ~~The actual connection shall be made under the direct supervision of the Township Engineer or his authorized representative.~~

**SECTION 14. Chapter 157-32 is renumbered to 157-31. Guarding of excavations is amended as follows:**  
**157-32 31. Guarding of excavations.**

All excavations for building sewer laterals connections shall be adequately guarded with barricades and lights so as to protect the public. Streets, sidewalks and other public property disturbed during in the course of the work shall be restored in a manner satisfactory to the Township Engineer.

**SECTION 15. Chapter 157-33 is renumbered to 157-32. Indemnification of Township for loss or damage is amended as follows:**

**157-33 32. Indemnification of Township for loss or damage.**

The property owner and contractor shall indemnify the Township from any loss, expense or damage that may result from installation of a building sewer lateral connection.

**SECTION 16 – Chapter 157-34 is renumbered to 157-33. Discharges into sewer system of adjacent municipality is amended as follows:**  
**157-34 33.**

Where a building sewer lateral connection discharges into the sewer system of an adjacent municipality, the provisions of all ordinances, rules and regulations of such other municipality, as well as the applicable terms of any agreement between the Township and such other municipality, shall apply to such building sewer lateral connection and its use in addition to the requirements of this Part 1 of this chapter.

**SECTION 17** – Chapter 157-35 is renumbered to 157-34. Time for completing building connections is amended as follows:

**157-35 34. Time for completing connections.**

The building sewer lateral connection, including the actual connection to the municipal public sewer building sewer, shall be completed within three months ~~six months~~ of the issuance of a permit unless an extension is granted by the Township Engineer.

**SECTION 18** – Chapter 157-35 shall remain vacant for future use, when and if required is amended as follows:

**SECTION 19** – Chapter 157-45. Responsibility for maintenance of building drains, building sewer laterals and installations. ~~connections.~~ is amended as follows:

**157-45. Responsibility for maintenance of building drains, building sewer laterals & and installations. connections**

~~A. The building sewers shall be maintained by the Township or the Authority. The building connections shall be maintained by the property owners and occupants.~~

A. Each property owner shall maintain and be responsible for the proper upkeep, repair and/or replacement of the building drains and building sewer lateral from the building located on the property to the point of connection with the municipal public sewer main, typically located in the centerline of the roadway or public right of way.

B. In the event of a blockage, the property owner shall be responsible to immediately clear the blockage or retain a private contractor, at its sole cost and expense, to clean the building sewer lateral, regardless of the cause of the blockage.

C. The property owner shall further be responsible for cleaning and sanitizing all areas which may have been contaminated by sewage as a result of their building sewer lateral blockage, whether on private or public property.

B.D. Every owner, occupant or person having charge and control of property within the Township shall be responsible for the proper installation, repair, maintenance and upkeep of all connections between their property and the municipal public sewer main and all connections between their property and the main storm drain, catch basin or gutter into which such connections discharge. This responsibility extends up to and including the actual connection with the public main.

**SECTION 20.**

All other parts of Chapter 157 of the Code of the Township of Wyckoff shall remain in full force and effect.
